LOUIS WHITING.

Well Known Identity of the City Dies
of Heart Disease.

Louis Whiting, American, aged 32,
chief of operators of the Mutual Tel-
ephone Co., died suddenly at 3:30 Fri-
day morning of heart failure.

He had been complaining the day
before of pain in the breast, but at-
tended to his duties, and was down
town as late as 11 o'clock the night be-
fore. About 2 o'clock Dr. Herbert
was sent for. He examined the pa-
tient and later sent him some medi-
cine. At the time stated Louis started
to walk across the floor, fell and ex-
pired.

Mr. Lose, Manager Gillespie and the
friends of the deceased in the tele-
phone office took charge of the re-
mains, and arranged the first details
for the funeral at 4 o'clock this after-
noon. Friday morning Company D,
N. G. H., of which Mr. Whiting was
a faithful and valued member, ar-
ranged for the funeral to take place
from its quarters in the armory and
under its auspices. The young men
of the telephone office will officiate
as pall bearers. Rev. H. W. Peck will
conduct the service.

Louis Whiting was a native of East
Oakland, Cal., where his mother and
sisters reside. He came to Honolulu
in 1881 and soon after entered the em-
ploy of the Bell Telephone Co. In 1885
he went over to the Mutual Company
where he remained to the time of his
death. Perhaps no man on the work-
ing force of the office was more widely
known or more generally liked. He
was noted for his polite manner to
patrons of the telephone and obliging
disposition. All will miss him when
dealing with "Central."

LOCATES HERE.

R. A. Jordan, brother of the well-
known merchant, has been here some
time now from Australia and will re-
main permanently. In consequence
he has resigned important political
and social offices he held in his for-
mer home. Mr. Jordan is much inter-
ested in the international exposition to
be held at Brisbane this year and
will endeavor to have Hawaii repre-
sented there.

WIRES A PROTECTION.

It is reported that an official inquiry
recently made in Germany concerning
the effect of telephone wires on at-
mospheric electricity showed that a
network of such wires extending over
a town tended to diminish the danger
from lightning during thunderstorms.
Reports were compared from 900
towns, of which 560 possessed tele-
phone systems, and the whole conclu-
sion drawn was that a network of
wires lessens the danger in the ratio
of 1 to 4.6.

They sell most who advertise most.
And why not?

A Modern Typewriter.

Now-a-days we demand modern
things. Our great-grandfathers used
quill pens. They were the best
writing implements then. Few
writers use them now. They are
out-of-date.

To-day a Typewriter is the most
important adjunct in an office equip-
ment. There is no question about it.
They save time, do the work of
several people.

The Peerless Typewriter
stands out prominently as a modern,
up-to-date machine. It combines all
the good points of any machine on
the market, while it has none of the
defects found in other makes.

PLEASURE AT Y. M. C. A.

FINE SUCCESS OF THE ANNUAL
RECEPTION TO MEN.

Several Hundred Pleasantly Enter-
tained—The Workers and the Re-
ceiving Party—The Concert.

The big brick building of the Young
Men's Christian Association was
thrown open to the men of the city
yesterday during the annual recep-
tion, which lasted from 12 o'clock un-
til 3. About 350 men attended.

They were warmly received at the
entrance on Hotel street by members
of the reception committee. All of the
rooms on the main floor were turned
into receiving rooms and were inha-
bited by men both young and old, and
in all stations of life, who exchanged
greetings on the New Year's Day.

On the upper floor from the begin-
ning of the noon hour until 1:30
o'clock solid refreshments, consisting
of ham, meats, pork and beans, sala-
ds, bread and rolls, jellies, vegetables,
cakes and coffee, were dispensed by
a committee of ladies under the super-
intendency of Mrs. E. A. Jones. Mrs.
Widdfield was in charge of the salads;
Mrs. F. J. Lowrey, the meats; Mrs.
Bluxome, the pork and beans; Mrs.
Nichol, the cake; Mrs. Fuller, the
bread and rolls. The ladies had made
more than ample provision for the
feast. The poor were remembered.

The entire second floor of the build-
ing was given up for the serving of
the refreshments. About twenty-five
Honolulu society ladies officiated in
the capacity of waitresses. They were:
The Misses Myra and Jean Angus,
Grace, Adell, Widdfield, Love, Stella
Love, Afong (2), Sorenson, Tanner,
Parmelee, Lillu Cameron, Kate King,
Juliette King, Reardon of San Fran-
cisco, Kate Kelley, Campbell, Mrs.
James, and others.

Conspicuous among those receiving
and entertaining the callers were
President and Mrs. Dole.

Others who received were: Presi-
dent Arthur B. Wood of the Associa-
tion and Mrs. Wood, Attorney Generai
and Mrs. Smith, Minister of Finance
and Mrs. Damon, Judge and Mrs.
Frear, Rev. and Mrs. Douglas P. Bir-
nie, Rev. and Mrs. H. W. Peck, Rev.
and Mrs. James M. Monroe, Professor
and Mrs. Richards, Mr. and Mrs. B. F.
Dillingham, Mr. and Mrs. P. C. Jones,
Mr. and Mrs. D. W. Corbett, Mrs. Gil-
man, Mrs. Love, Mr. William Love, Mr.
and Mrs. F. J. Lowrey, Mr. and Mrs.
H. F. Wichman, Mr. and Mrs. E. A.
Jones, Mr. and Mrs. Tom May, Mr. and
Mrs. F. A. Schafer, Mr. Benner, Mr.
and Mrs. Thos. Rain Walker, and Sec-
retary Bluxome.

The interior of the building was
decorated in a most artistic style.
There was a large American flag
draped over the door at the entrance
and also another one over the door
leading to the secretary's office. Throughout
the entire downstairs
there was a profusion of ferns, potted
plants and cut flowers.

In the evening a literary and mus-
ical program was given for the bene-
fit of the gymnasium building fund.
The Young Hawaiians' Institute gave
the opening song. A violin solo by
Mr. Will Love was highly appreciated.
Vocal solos by Miss K. Ward, Mr. Mc-
Curda and Mr. E. A. Mott-Smith were
warmly received. Miss Parmelee gave
a piano solo in fine style.
The recitation by Miss Love was one
of the very best numbers on the pro-
gram. The young lady has more than
ordinary talent for elocution. The
male quartette did not appear. In lieu
of that a special chorus, well rendered,
was given by the Y. H. I. singers.
There was an encore for each number
of the evening.

The '97 New Year's Day reception
of the Y. M. C. A. was a most decided
success from the beginning to the end.

The President's reception on New

THE TOWN TEAM PICNIC

CITY GIANTS HAD THE COMBINA-
TION AT THEIR MERCY.

Game Too One-Sided With Much Good
Playing—The Fusionists Shut Out—
Features of Gridiron Work.

An immense throng of people gath-
ered at the Makiki base ball grounds
yesterday afternoon to see the great
New Year foot ball game. The people
more than filled the grand stand and
carriages were lined up on the side of
the gridiron.

The game was a disappointment to
many. From the very beginning it
was all one sided and in favor of the
big Town team. The Regiment and
Punahou lads were lacking in team
work, several players were altogether
too light for the contest and a lack of
science and force throughout the en-
tire team were the principal reasons
why they were shut out.

And then the Townies seemed to be
in the very pink of condition and their
good team work proved that they had
trained for the event.

The game opened shortly after 3:30
o'clock. Previous to this time the
Government band had entertained the
crowd of people with several choice
selections.

Angus made the kick-off for the
Town. Cornwell, Prince Cupid and
Chris Holt made good gains for the
Town team before the first touchdown
was made by Angus. Cornwell failed
in his attempt to kick goal.

Cunha kicked the pigskin almost to
the Town team's goal. Angus caught
the ball and by steady gains the Town
boys scored a touchdown. Chris Holt
making an almost superhuman leap to
do so. Cornwell failed to kick goal
this time also.

At the start-off Cunha again made
the kick-off for the combination team.
There was some lively playing before
Chris Holt again succeeded in crossing
the goal line of the combination team.
George Angus kicked goal.

The score at this point was: Town
team, 14; Combination, 0.

It was Regiment-Punahou's kick-off.
Cunha kicked to Angus, who fumbled
the ball. The feature during this play
was a display of John Lane's remark-
able strength. With the ball in his
arms Lane began making his way
down the field with a half dozen men
on the opposing team tugging at his
shoulders, waist and feet. He made a
gain of fully fifteen yards for his
side and received cheer after cheer
from the grand stand for his effort.

At the opening of the second half
Austin of the Combination team
kicked the ball, which was caught by
Cornwell, who made a gain of fifteen
yards. John Lane made a touch-down
with the greatest ease. Tuft kicked a
goal, giving the Townies a score of 20
to 0.

In the latter part of the second half
Cornwell succeeded through the aid of
good interference in making a run to
Combination's goal. Cupid kicked
goal. When time was called the score
of the game was: Town team, 26;
Combination, 0.

The work done by young "Billie"
Cornwell yesterday was favorably
commented on from all sides. He was
the idol of everyone in the grand stand
and those in the carriages around the
field. Prince Cupid also did excellent
work. George Angus kept up his usual
good game. Chris Holt and John Lane,
both strong, active and wiry, did very
effective work in yesterday's game.
Tuft got his share of glory, too.

Capt. Austin, of the Regiment-Puna-
hou eleven, is an excellent foot ball
player and he demonstrated this fact
to everyone's satisfaction in his play-
ing yesterday. Ella and Antonio Long
and Sam Johnson were not a bit slow
all through the game.

The players yesterday were:

TOWNIES.
Carlo Long, (captain) center.
John Lane, left guard.
C. F. Chillingworth, left tackle.

M. Tuft, right guard.

MAKEE INJURED.

Little Kauai Liner Had a Sad Expe-
rience in the Heavy Storm.

As was to be expected the storm of
Wednesday night was quite severe on
Kauai. The rainfall was very heavy
and there was considerable wind.
Shipping had a rough time of it. The
James Makee was literally blown
ashore at Kapaa while trying to come
out to sea. She remained aground two
hours, during which time all her cargo
was discharged and the W. G. Hall
came to her assistance.

An examination of the Makee
showed that part of her keel had been
torn off and a hole had been made in
her bottom. She came to port under
steam, escorted by the Mikahala. It
will be necessary to lay her up for re-
pairs, during which time she will have
to go on the Marine railway.

THE DANCES.

One Scheduled for Tuesday Next and
the Other for Friday.

The Myrtle Boat dance will occur on
Tuesday evening.

The postponed New Year's eve dance
at Independence Park will be given on
Friday. The dance might have been
given last evening but the committee
found that a large number of the sub-
scribers to the dance had made ap-
pointments for the evening. Friday
was deemed to be the best suitable
night.

A WORD OF CHEER.

marksmanship second to none. Con-
tinue your practice, which is eagerly
watched by your friends and com-

connected with Thrums' book store,

Rule Bazaar on Fort Street of Mr.
W. F. Reynolds. Mr. Webb intends to
carry a first class stock of stationery

WATCH MEETING.

About thirty persons attended the
watch meeting at the First Methodist
church New Year's eve. There was a
very interesting and impressive ser-
vice of nearly an hour, led by Rev. H.
W. Peck. The closing hours of the old
year and the opening hours of the new
were fittingly spent in earnest devo-
tion.

IN BAD ODOR.

Chas. D. Wilson, formerly drummer
in the Government band and after-
wards bookkeeper for the Hobron
Drug Co., left the country suddenly by
the Coptic. He was forced to settle a
number of accounts at the wharf. Wil-
son had become well known in ama-
teur theatrical circles.
